RE: Heritage Impact Assessment Report Proposed Lanele Liquid Fuel Storage Facility, Terminal 1. Lot 1, Ambrose Park, Bayhead Durban Harbour eThekweni Municipality KwaZulu-Natal

Thank you for the opportunity to comment on the development proposal. The survey by Len Schalkwyk of eThembeni did not identify any heritage resources in the development footprint although the possibility of chance finds cannot be ruled out considering the history of the general Durban area. From a heritage perspective, the development process can proceed as planned as the area is devoid of visible archaeological finds and palaeontological finds .

The KwaZulu Natal Amafa and Research Institute, (Formerly Amafa aKwaZulu Natal, Heritage KwaZulu Natal, Erferenis KwaZulu Natal), has no objection to the proposed development within limits of the stipulated conditions and mitigation measures.

You are also required to adhere to the below-mentioned standard conditions:

Conditions:

1. The KwaZulu Natal Amafa and Research Institute should be contacted if any heritage objects are identified during earth-moving activities and all development should cease until further notice.
2. No structures older than sixty years or parts thereof are allowed to be demolished altered or extended without a permit from the KwaZulu Natal and Amafa Research Institute.
3. Under no circumstances may any heritage material be destroyed or removed from site unless under direction of the KwaZulu Natal and Amafa Research Institute and a heritage specialist.
4. Should any remains be found on site that is potentially human remains, the South African Police Service (SAPS) should also be contacted. No SAPS official may disturb or exhume such remains, without the necessary permission from the KwaZulu Natal and Amafa Research Institute.
5. No activities are allowed within 50m of a site, which contains rock art.
6. Sources of all natural materials (including topsoil, sands, natural gravels, crushed stone, asphalt, etc.) must be obtained in a sustainable manner and in compliance with the heritage legislation.

Failure to comply with the requirements of the National Heritage Resources Act and the KwaZulu Natal Amafa and Research Institute Act could lead to legal action being instituted against the applicant. Should
