**This application for temporary export permit is to study macro and microscopic wear traces and residues on stone tools of ~2 000 to ~8 300 years old from Steenbokfontein Cave, Western Cape.**

Dear Dr Langejans,

Thank you for your application to temporarily export 13 scrapers from the Steenbokfontein Cave, Western Cape, for a variety of analyses, including destructive sampling, at Delft University of Technology, The Netherlands.

To approve your permit, SAHRA would require an amended letter from the accession institution (University of Cape Town, Archaeology) listing all objects with their accession numbers.

Should you have any further queries, please contact the designated official using the case number quoted above in the case header.

Yours faithfully
