Nkomati Anthracite(Pty)Ltd

Application for the destruction of archaeological site NMKA005 situated on the property of Nkomati Anthracite Mine, Nkomazi Local Municipality, in the Ehlanzeni District Municipality, Mpumalanga Province

Dear Wouter,

RE: Application For Destruction NKMA0005

Thank you for your application for destruction of cluster of archaeological-historical sites collectively known as NKMA0005 after a phase 2 mitigation work. SAHRA has carefully reviewed your mitigation report and approved it. It is noted from the reported that site NKNA 7 (a&b) is a new find under permit (3264), and was not previously identified in the HIA report submitted as part of the original development application. SAHRA therefore, requests that you undertaken the following in order to assist with processing of this application:

1. Create a site reference for site NKNA 7 on SAHRIS and link it to the permit for destruction together with NKMA005 cluster of sites.
2. Provide a motivation for destruction which will include details of how the destruction will be done.

Should you have any further queries, please contact the designated official using the case number quoted above in the case header.

Yours faithfully
