Letter of Advice

In terms of Section 32(19) of the National Heritage Resources Act (Act 25 of 1999)

Attention: Ronè Oberholzer

Purposed exportation of lithics from Diepkloof Rock Shelter for functional and chemical analysis with specialized equipment in Liège, Belgium. This application is done from Gauteng, RSA.

Dear Ronè,

RE: Exportation and Chemical Analysis of Lithics From Diepkloof Rock Shelter

Thank you for your permit application to export lithics for chemical analysis from the Diepkloof Rock Shelter, Western Cape Province to Liege, Belgium. SAHRA has received your application and request that you undertake the following in order to process your application:

1. Kindly provide a detailed proposal stating the nature of the export (temporary or permanent) with a clear methodology outlining the nature of the analysis (destructive or non-destructive). Please note a destruction permit may be required from Heritage Western Cape depending on the nature of the analysis,
2. A letter of consent from the curating institution,
3. Kindly see the attached list of requirements on your application for further outstanding information.
4. Provide your full details on SAHRIS including affiliations.

Should you have any further queries, please contact the designated official using the case number quoted above in the case header.

Yours faithfully
