Attention: Ms Hester Roodt

Postnet Suite 139
Private Bag X9700
POLOKWANR 0700

Skeletal remains had been uncovered on the mining site. This was after a site visit and report by Mr Tobias Coetzee of Archean Resources (Pty) Ltd, the archaeologist who did the Phase 1 AIA (Archaeological Impact Assessment) , SAHRIS Case ID 15317.

Dear Hester,

RE: Preliminary Skeletal Analysis Report: Kusile Invest 2

Thank you for your case application and submission of a preliminary report on skeletal remains found at the Kusile Invest 2 Mine, Giyani, Limpopo Province. The SAHRA has reviewed your application and acknowledges receipt of the consent letter from the local Tribal Authority and Proof of Public Participation in the Newspaper. SAHRA requires more clarity on the nature of the application:

1. Please confirm if the application is to undertake test excavation to locate the rest of the human remains or if the application for rescue excavation and subsequently reburial?
2. Please provide a methodology for the excavation/exhumation.
3. Please provide details of the identified location for the reburial.
4. If any invasive investigation is considered for the human remains please provide details on the methodology as well.

Should you have any further queries, please contact the designated official using the case number quoted above in the case header.
