## Letter

**In terms of Section 36(3) of the National Heritage Resources Act (Act 25 of 1999)**

Attention: Edward Matenga

**To conduct investigations of a possible burials represented by seven (7) cairn markers. The cairns are located within the footprint of the proposed development of a platinum ore processing plant. The scope of investigations extends to a third site 600 m to the southwest located on the foot of hills that form a western fringe of the mining area, where settings of stones may possibly be burial markings. They are located close to a protected burial ground.**

Dear Applicant,

Thank you for applying for the Test excavation permit from SAHRA. The Burial Grounds and Graves Unit (BGG) unit has reviewed your application and is pleased to inform you that your application was successful.

Please note the permit conditions for your adherence.

We wish you all the best with your project.
