Dear Dr Raath

**TEMPORARY EXPORT PERMIT: No. 80/05/05/024/62**

I attach as requested a permit to allow for the temporary export of blocks of Elliot Formation mudrock containing suspected dinosaur eggs, from Dr Michael Raath of the Bernard Price Institute for Palaeontological Research, at the University of the Witwatersrand, to Dr Robert Reisz, University of Toronto, Canada. SAHRA understands the purpose of the export is to allow for identification and analysis of the specimens.

SAHRA wishes you every success with the project.

Sincerely

Mrs Mary Leslie
