Proposed Construction of the Mkuze Interchange on National Route 2 Section 31

The BID document has been reviewed. There is a possibility of encountering archaeological material in the area of proposed material. A **Heritage Impact Assessment is required for the above proposed project. The Heritage Impact Study should cover the archaeological component and any other heritage specialist study identified by the archaeological specialist.**

. Amafa KZN Heritage therefore requires the appointment of an Amafa accredited Heritage Practitioner to assist in the provision of recommendations and mitigation procedures.

Please download our list of Heritage Practitioners from our website www.heritagekzn.co.za.

Should you have any further queries, please contact the designated official using the case number quoted above in the case header.

Yours faithfully
