

Interim Comment

In terms of Section 38 of the National Heritage Resources Act (Act 25 of 1999) and the KwaZulu-Natal Heritage Act (Act 4 of 2008)

Attention: Mr Simphiwe Vincent Khoza
Moyeni Centre
28 Durnford Avenue, Lalucia

Construction of Moyeni Centre comprising Total Service Station with related infrastructure, farm stall, workshop, play centre and offices.

In terms of the KwaZulu Natal Heritage Act No.4 of 2008 and the National Heritage Resources Act No.25 of 1999 (Section 38(1)), a permit is required to carry out certain listed activities. In terms of these acts it is an offence to commence development without applying for a permit from the Provincial Heritage Authority in the province, in this case Amafa. Amafa was established to provide for the conservation, protection and administration of both the physical and the living or intangible heritage resources of the Province of KwaZulu-Natal. Amafa therefore has the mandate to protect various categories of heritage resources.

The project at hand involves a development that triggers a specialist's input as stipulated in our Needs and Desirability criteria and as such a Heritage Impact Assessment is required to circumvent the destruction of heritage resources within the area. You are therefore required to secure the services of an Amafa accredited Heritage Practitioner to assess the area and provide relevant mitigation measures. The list of accredited heritage specialists/ Cultural Resources Managers is on the Amafa website www.heritagekzn.co.za. You may also refer to Amafa application forms (such as the J-Needs & Desirabilities form) on the Amafa website to familiarize yourself with regulations and to identify the nature of your development.

Should you have any further queries, please contact the designated official using the case number quoted above in the case header.

Yours faithfully
