

Final Comment

In terms of Section 38(8) of the National Heritage Resources Act (Act 25 of 1999) and the KwaZulu-Natal Heritage Act (Act 4 of 2008)

Attention: Scotston Family Trust

Proposed Cultivation of 35ha of indigenous grasslands at Newfields Farm, near Underberg, KwaSani Municipality

We acknowledge receipt of the notification of intention to develop in the Underberg area well known for archaeological sites and more than 300 San rock art sites. We note that the survey conducted by Frans Prins did not find any heritage resources and therefore see no cultural barriers to the proposed development.

In terms of the KwaZulu Natal Heritage Act No. 4 of 2008 and the National Heritage Resources Act No.25 of 1999 (Section 38 (1), in view of the findings outlined in the HIA Report by Frans Prins and Sian Hall of Active Heritage that we received for the above proposed development, we have no objection to the proposed development since the survey of the area did not yield heritage resources.

You are also required to adhere to the below-mentioned standard conditions:

Conditions:

1. Amafa should be contacted if any heritage objects are identified during earthmoving activities and all development should cease until further notice.
2. No structures older than sixty years or parts thereof are allowed to be demolished altered or extended without a permit from Amafa.
3. No activities are allowed within 50m of a site, which contains rock art.
4. Amafa should be contacted if any graves are identified during construction and the following procedure is to be followed:
 - stop construction
 - report finding to local police station
 - report to Amafa to investigate.

Should you have any further queries, please contact the designated official using the case number quoted above in the case header.

Yours faithfully
