This permit is to allow for the requested archaeological mitigation of MSA artefact scatters that would be destroyed through construction of the proposed Kakamas Hydro-Electric Power Plant.

Dear Mr Orton,

the APM HOB permit committee has received your application for recording and collection of Stone Age material from three sites on Zart Boois Berg Annex 1.

Many thanks for settling your permit application fee.

SAHRA APMHOB permit committee has approved the mitigation.
Please find attached your permit.

We wish you every success with this project

Should you have any further queries, please contact the designated official using the case number quoted above in the case header.

Yours faithfully
