Documentation of surface distribution of exposed Stone Age material by surveying and creating a distribution map of the Stone Age material found at PGS06. These activities are aimed at documenting, recovering and recording all available data for future research before a destruction permit is issued for this site. The site PGS06 is situated on the remainder of farm 469, Hay district, Daniëlskuil, Northern Cape

Dear Mr Fourie,

Thank you for your permit application for on-site collection and analysis of stone artefacts from site PGS06 which will be impacted by the Humansrus Solar Facility. SAHRA has reviewed your application and decided to approve it.

We wish you every success with this project.

Should you have any further queries, please contact the designated official using the case number quoted above in the case header.

Yours faithfully

Phillip Hine
