Dear Kgomotso

**RE: PROPOSED CONSTRUCTION OF 6.8 KM GRAVEL ROAD IN  
EZINGQUNGENI VILLAGE, MSINGA LOCAL MUNICIPALITY**

In view of the Heritage Impact Assessment report by eThembeni Cultural Heritage received for the above proposed development and in terms of KwaZulu Natal Heritage Act No. 4 of 2008 and the National Heritage Resources Act No.25 of 1999 (Section 38 (1), we have no further comments to the proposed development. The Heritage report stipulates that there are graves in the vicinity; you are requested to fence off the graves and keep a 20m buffer from them.

You are however required to adhere to the below-mentioned recommendations:

Conditions:

1. **Amafa should be contacted if any heritage objects are identified during earthmoving activities and all development should cease until further notice.**
2. **Amafa should be contacted if any graves are identified during construction and the following procedure is to be followed:**
  - **stop construction**
  - **report finding to local police station**
  - **report to Amafa to investigate.**

Best regards,

pp
