Final Decision

In terms of Section 38 of the National Heritage Resources Act (Act 25 of 1999) and the KwaZulu-Natal Heritage Act (Act 4 of 2008)

Attention: Jacolette Adam

The Kevin Lawrie Family Trust is planning to establish a poultry production farm (egg laying) on a 2.2 Ha property near Riverview within the Mtubatuba Local Municipality, KwaZulu-Natal.

Thank you for notifying Amafa about this development. The exemption motivation by eThembeni has been considered and Amafa has reached the decision that the development will not pose a major threat to heritage resources.

Amafa therefore has no objection to the development in view of the arguments put forward by eThembeni Cultural Heritage in support of the development proposal.

You are also required to adhere to the below-mentioned standard conditions:

Conditions:

1. Amafa should be contacted if any heritage objects are identified during earth-moving activities and all development should cease until further notice. **No historical, paleontological, archaeological, burial ground and graves as well as meteorite/site should be disturbed, damaged, altered, destroyed or demolished without a permit from Amafa.**
2. No structures older than sixty years or parts thereof are allowed to be demolished altered or extended without a permit from Amafa.
3. No activities are allowed within 50m of a site, which contains rock art.
4. Sources of all natural materials (including topsoil, sands, natural gravels, crushed stone, asphalt, etc.) must be obtained in a sustainable manner and in compliance with the heritage legislation.

Failure to comply with the requirements of the National Heritage Resources Act and the KwaZulu Natal Heritage Resources Act could lead to legal action being instituted against the applicant.

Should you have any further queries, please contact the designated official using the case number quoted above in the case header.

Yours faithfully
