THE PROPOSED STRUWIG AGRICULTURAL DAM LOCATED ON PORTIONS 9 & 10 ON THE FARM STRUWIG 15375, WARD 1, NDWEDWE LOCAL MUNICIPALITY (KZN 293), ILEMBE DISTRICT MUNICIPALITY

Thank you for the opportunity to comment on this development proposal as outlined above. Amafa has considered the application and the Heritage Impact Assessment by Frans Prins on the development site.

Since the survey identified no archaeological and heritage sites on the footprint, Amafa has no objection to the development.

You are also required to adhere to the below-mentioned standard conditions:

Conditions:

1. Amafa should be contacted if any heritage objects are identified during earthmoving activities and all development should cease until further notice.
2. No structures older than sixty years or parts thereof are allowed to be demolished altered or extended without a permit from Amafa.
3. No activities are allowed within 50m of a site, which contains rock art.
4. Sources of all natural materials (including topsoil, sands, natural gravels, crushed stone, asphalt, etc.) must be obtained in a sustainable manner and in compliance with the heritage legislation.

Failure to comply with the requirements of the National Heritage Resources Act and the KwaZulu Natal Heritage Resources Act could lead to legal action being instituted against the applicant.

Should you have any further queries, please contact the designated official using the case number quoted above in the case header.

Yours faithfully

Amafa AkwaZulu-Natal

Terms & Conditions:

1. This approval does not exonerate the applicant from obtaining local authority approval or any other necessary approval for proposed work.
2. If any heritage resources, including graves or human remains, are encountered they must be reported to Amafa immediately.
3. Amafa reserves the right to request additional information as required.
