Response to NID (Notification of Intent to Develop)

In terms of Section 38(8) of the National Heritage Resources Act (Act 25 of 1999) and the KwaZulu-Natal Heritage Act (Act 4 of 2008)

Attention: Emvelo Quality and Environmental Consultant

The total area of the site is approximately 1453m². The petrol filling station will also have a convenience store (e.g. Steers or KFC) and a carwash. The total tank capacity below the ground will be 100 000L (100m³), with 2x 25 000 L petrol; 2 x 25 000 L diesel; and 1 x 5 000L paraffin above the ground. A 10m long x 4m wide access road will be constructed as an access route to the site from District Road D1905.

Thank you for notifying Amafa. The application is incomplete. Ensure that the application is complete by adding the following prerequisites in the relevant fields and prescribed format as provided on SAHRIS :

- Proof of payment. The fee is currently R800 with effect from 1 April 2018. The banking details are on the cover sheet of the Need and Desirability (NID Form J) application Form that is available on the Amafa website www.heritagekzn.co.za
- Site photos/case images of the general development landscape and the surrounding areas including access roads. These should be in the correct format as prescribed on SAHRIS (JPEG, JPG, PNG, GIF). Colour photographs from the centre of the site must be taken in at least the eight major compass directions with a description of each photograph. This could be beefed up with additional photographs of relevant features on the site where applicable.
- Basic Information Document /motivation and Environmental Impact Assessment supporting documents on which to base our comment in terms of NEMA or decision in terms of the National Heritage Resources Act and the KwaZulu Natal Heritage Act.

Once the above information has been submitted, a heritage officer at Amafa will review your application.

Should you have any further queries, please contact the designated official using the case number quoted above in the case header.

Yours faithfully
