**Aeterno Investments 215 (Pty) Ltd intends to apply for a mining permit to mine 2.89ha of a portion of Portion 0 (Remaining Extent) of Lot 23 Umfolozi No 13734 GV, Mtubatuba, Kwa-Zulu Natal Province.**

Thank you for the fieldbased Full Heritage Impact Assessment exemption motivation by eThembeni due to no observation of Cretaceous fossils or Stone Age and Iron Age archaeological material in the development area.

For this reason Amafa has no objection to the development .

You are also required to adhere to the below-mentioned standard conditions:

#### Conditions:

1. Amafa should be contacted if any heritage objects are identified during earthmoving activities and all development should cease until further notice.
2. No structures older than sixty years or parts thereof are allowed to be demolished altered or extended without a permit from Amafa.
3. No activities are allowed within 50m of a site, which contains rock art.
4. Sources of all natural materials (including topsoil, sands, natural gravels, crushed stone, asphalt, etc.) must be obtained in a sustainable manner and in compliance with the heritage legislation.

Failure to comply with the requirements of the National Heritage Resources Act and the KwaZulu Natal Heritage Resources Act could lead to legal action being instituted against the applicant.

Should you have any further queries, please contact the designated official using the case number quoted above in the case header.
