Aeterno Investments 215 (Pty) Ltd intends to apply for a mining permit to mine 2.89ha of a portion of Portion 0 (Remaining Extent) of Lot 23 Umfolozi No 13734 GV, Mtubatuba, Kwa-Zulu Natal Province.

Thank you for notifying us about this development. Our database indicates that the general area of proposed development is in an area of low palaeontological sensitivity and will therefore not need to be subjected to a paleontological study. The archaeological database places the area of proposed development in an an archaeologically sensitive zone with a possibility of encountering graves.

Considering the heritage value of the area of proposed development, **a Heritage Impact Assessment is required for the above proposed project.** This must include the archaeological component (Phase 1) and any other applicable heritage components. Amafa KZN Heritage therefore requires the appointment of an Amafa accredited Heritage Practitioner to assist in the provision of recommendations and mitigation procedures.

Please download our list of Heritage Practitioners from our website www.heritagekzn.co.za.

Should you have any further queries, please contact the designated official using the case number quoted above in the case header.

Yours faithfully
