

## Final Comment

In terms of Section 38 of the National Heritage Resources Act (Act 25 of 1999) and the KwaZulu-Natal Heritage Act (Act 4 of 2008)

Attention: Ecosolve (Pty) Ltd

### A Phase 1 Heritage Impact Assessment Report for the Proposed Springfields PRASA Depot Upgrade as part of PRASA Railway Modernization Project

We acknowledge receipt of the heritage Impact Assessment of the Springfield Prasa Depot. The survey report indicates that the identified built environment and landscape features are all currently below the prescribed 60 year old benchmark for the general protection of built environment. There are no other heritage sites including archaeological features on the site as the area is built-up. The proposed development should proceed as planned.

While recommendations outlined in the heritage report should be adhered to, you are also required to adhere to the below-mentioned standard conditions:

#### Conditions:

1. **No structures older than sixty years or parts thereof are allowed to be demolished, altered or extended without a permit from Amafa. The Amafa Built environment Section should be contacted for guidance should impact on structures older than 60 years be envisaged.**
2. No activities are allowed within 50m of a site, which contains rock art.

Should you have any further queries, please contact the designated official using the case number quoted above in the case header.

Yours faithfully
