and 2825m of mv**

The Heritage Officers Committee meeting on the 1st of June 2022 was unable to evaluate and consider your application due to lack of supporting documents. The committee therefore require the applicant to submit the following documents for consideration:

1. Basic Information document outlining the location and extent of the proposed powerline.
2. Basic Assessment Report or an Environmental Assessment report outlining the potential impacts of the proposed powerline in the environmental landscape and the heritage landscape of the area.

Failure to comply with the requirements of the National Heritage Resources Act and the KwaZulu-Natal Amafa and Research Institute Act could lead to legal action being instituted against the applicant.

Should you have any further queries, please contact the designated official using the case number quoted above in the case header.

Yours faithfully

John Pakwe
