Placement of groynes on the Mkhonozana River, KZN

Thank you for the opportunity to comment on this development proposal. The Heritage Impact Assessment by Gavin Anderson established that no heritage sites have been recorded in the study area.

The KwaZulu Natal Amafa And Research Institute has no objection to the proposed development . Heritage resources including structures over 60 years, graves over 60 years or of historical significance, Royal graves, graves of victims of conflict, archaeological, paleontological , historical fortifications, meteorite impact sites as defined in the South African heritage legislation are protected and should not be negatively impacted in any way without a permit from the KwaZulu Natal Amafa And Research Institute.

Should you have any further queries, please contact the designated official using the case number quoted above in the case header.

Yours faithfully

Bernadet Pawandiwa
Senior Heritage Officer
KwaZulu-Natal Amafa and Research Institute
