Sasol Pigging Station KZN

The application was considered by the Provincial Heritage Authority, the KwaZulu-Natal Amafa and Research Institute on 17 May 2023. The documents submitted in support of the application were reviewed. A desktop study Heritage Impact Assessment and Palaeontological Impact Assessment which surveyed the area of proposal were submitted. The studies indicate that the proposed receiving station is within an existing development, there are no heritage resources that would be impacted by the extension of facility.

The KwaZulu Natal Amafa and Research Institute therefore has no objection to the proposed development

You are also required to adhere to the below-mentioned standard conditions:

1. The KwaZulu Natal Amafa and Research Institute should be contacted if any heritage objects are identified during earth-moving activities and all development should cease until further notice.
2. No structures older than sixty years or parts thereof are allowed to be demolished, altered, or extended without a permit from the KwaZulu Natal Amafa and Research Institute.
3. Under no circumstances may any heritage material be destroyed, inundated, collected, or removed from site unless under direction of the KwaZulu Natal and Amafa Research Institute and a heritage specialist.
4. Should any remains be found on site that is potentially human remains, the South African Police Service (SAPS) should also be contacted. No SAPS official may disturb or exhume such remains,

without the necessary permission from the KwaZulu Natal Amafa and Research Institute.

5. No activities are allowed within 50m of a site, which contains rock art.

6. Sources of all-natural materials (including topsoil, sands, natural gravels, crushed stone, asphalt, etc.) must be obtained in a sustainable manner and in compliance with the heritage legislation.

Failure to comply with the requirements of the National Heritage Resources Act and the KwaZulu Natal Amafa and Research Institute Act could lead to legal action being instituted against the applicant.
