

## Interim Comment

In terms of Section 38(8) of the National Heritage Resources Act (Act 25 of 1999) and the KwaZulu-Natal Heritage Act (Act 4 of 2008)

Attention: La Mercy JV

La Mercy Joint Venture (Pty) Ltd proposes to develop the site for the proposed 'Support Precinct 2'. Support Precinct 2 is proposed to be located in the area south-east of the runway. The land is owned by the La Mercy Joint Venture (Dube TradePort Corporation (DTPC) and Airports Company South Africa (ACSA). It is proposed that the proposed development will consist of Mixed Use development including Business Parks, Hotels, Petrol Filling Station and open space to complement the proposed 'conservation area'. Additional infrastructure will include support facilities and roads, parking areas and gate houses. Kwa-Zulu-Natal.

We acknowledge receipt of your invitation for comment with regards to the proposed development. Survey of the general area has previously identified heritage resources including archaeological sites and informal graves. A Heritage Impact Assessment to assess the impact of the proposed activities on heritage resources and cultural landscape is required. This must include the archaeological component (Phase 1) and any other applicable heritage components. Amafa KZN Heritage therefore requires the appointment of an Amafa accredited Heritage Practitioner to assist in the provision of recommendations and mitigation procedures.
