Thank you for submitting the Heritage brief. As per the Heritage specialist, no heritage resources are likely to be disturbed by the proposed development.

Amafa therefore has no objection to the development provided the developer adheres to the below-mentioned standard conditions:

2. No structures older than sixty years or parts thereof are allowed to be demolished altered or extended without a permit from Amafa.
3. No activities are allowed within 50m of a site, which contains rock art.
4. Sources of all natural materials (including topsoil, sands, natural gravels, crushed stone, asphalt, etc.) must be obtained in a sustainable manner and in compliance with the heritage legislation.

Failure to comply with the requirements of the National Heritage Resources Act and the KwaZulu Natal Heritage Resources Act could lead to legal action being instituted against the applicant.
