We acknowledge receipt of your invitation for comment with regards to the proposed development. The object of Amafa is to administer, conserve and protect heritage resources of the Province within the terms of KZN Heritage Act no. 4 (2008) and the National Heritage Resources Act No 25 of 1999. The area of proposed development is very sensitive in terms of archaeological and fossil sites.

Considering the heritage value of the area of proposed development, **a Heritage Impact Assessment is required for the above proposed project** in terms of the KwaZulu Natal Heritage Act No. 4 of 2008 and the National Heritage Resources Act No.25 of 1999 (Section 38 (1)). This must include the archaeological component (Phase 1) and any other applicable heritage components as determined by the baseline survey. Amafa KZN Heritage therefore requires the appointment of an Amafa accredited Heritage Practitioner to assist in the provision of recommendations and mitigation procedures.
