

## **Interim Comment**

**In terms of Section 38(8) of the National Heritage Resources Act (Act 25 of 1999) and the KwaZulu-Natal Heritage Act (Act 4 of 2008)**

Attention: uMgungundlovu Municipality

**The Umgungundlovu District Municipality propose to upgrade the Thendele Water Supply Scheme within Ward 2 of the Mpofana Local Municipality, KZN. Thendele is located in the foothills of the Kamberg Nature Reserve / Highmoor Reserve. Water will be supplied by a new borehole. The scheme will cover an approximate area of 3km<sup>2</sup> and will include the construction of a reservoir for the storage of water (500KI).**

We acknowledge receipt of the heritage Impact Assessment Report by Frans Prins . We however require a field-based paleontological report as the area of proposed development is highly sensitive in terms of the fossil sensitivity. Comment on the development will be issued once we have received the report.

Should you have any further queries, please contact the designated official using the case number quoted above in the case header.

Yours faithfully
