

## Final Comment

**In terms of Section 38(8) of the National Heritage Resources Act (Act 25 of 1999) and the KwaZulu-Natal Heritage Act (Act 4 of 2008)**

Attention: Fuze Environmental Services

**The Inkosi Langalibalele Local Municipality that falls within the uThukela District Municipality proposes the upgrade of Jennings Road which is situated in Ward 10 of the Local Municipality. Jennings Road is located on the north-eastern outskirts of Estcourt just off the R103 / Harding Road.**

Thank you for the opportunity to comment on this development proposal as outlined above. A heritage resources survey of the proposed development site footprint conducted by Jean Beater indicates that there are no heritage resources on and around the footprint.

Amafa therefore has no objection to the development .

You are also required to adhere to the below-mentioned standard conditions:

Conditions:

1. Amafa should be contacted if any heritage objects are identified during earthmoving activities and all development should cease until further notice.
2. No structures older than sixty years or parts thereof are allowed to be demolished altered or extended without a permit from Amafa.
3. No activities are allowed within 50m of a site, which contains rock art.
4. Sources of all natural materials (including topsoil, sands, natural gravels, crushed stone, asphalt, etc.) must be obtained in a sustainable manner and in compliance with the heritage legislation.

Failure to comply with the requirements of the National Heritage Resources Act and the KwaZulu Natal Heritage Resources Act could lead to legal action being instituted against the applicant.

Should you have any further queries, please contact the designated official using the case number quoted above in the case header.

Yours faithfully
