wolmaransstad ext 15 electrification project, maquassie hills local municipality, north west province

Eskom has been requested by the Maquassi Hills Local Municipality to electrify Wolmaranstad Extension 15 Phase 2 as part of service delivery and universal access to electricity. The project is part of the 2019/2020 Electrification Plan, it comprises 122 stands, with the houses of Tin type and 100% occupation. There is a graveyard next to the proposed project Sewer and communal water services have been installed and with electricity to be installed by Eskom.

Interim Comment

SAHRA Burial Grounds and Graves Unit (BGG) recommends that you appoint an Archaeologist/Heritage Specialist to assess the graveyard. The assessment report compiled by the Heritage specialist must be submitted to SAHRA for review.

Once the report has been reviewed, SAHRA will issue a final comment.

Should you have any further queries, please contact the designated official using the case number quoted above in the case header.

Yours faithfully
