In terms of Section 9(3) of the National Heritage Resources Act (Act 25 of 1999)

Attention: Mr Kobus Volschenk
Transnet Foundation - Heritage and Preservation

Notice in terms of section 9 of the National Heritage Resources Act 25 of 1999 for the intend disposal of various old redundant steam components

SAHRA has considered the information that the Transnet Freight Rail submitted on the 21 November 2017, SAHRIS Case ID: 11970, regarding the intent disposal of various steam locomotives components. After consideration, it appears based on the information submitted on SAHRIS, that there is no information that prove otherwise that the steam locomotives components have cultural significance or other special value as stated in Section 3(3) of the National Heritage Resources Act 25 of 1999.

Therefore, based on the information that were submitted to us, SAHRA has no objection to the disposal of steam locomotives components.

Should you have any further queries, please contact the designated official using the case number quoted above in the case header.

Yours faithfully
