Letter

In terms of Section 38 of the National Heritage Resources Act (Act 25 of 1999)

Attention: Mr Jonathan Sharfman
African Centre for Heritage Activities
11A Marston Rd
Diepriver
7800

The Department of Agriculture, Forestry and Fisheries (DAFF) aims to develop and facilitate an Aquaculture Development Zone (ADZ) in Saldanha Bay by identifying and permitting additional sea-based aquaculture areas. The extent of the project footprint, in conjunction with the possibility that positioning of mooring blocks on which aquaculture infrastructure will be anchored may impact on submerged cultural heritage resources, triggers Sections 38 and 35 of the National Heritage Resources Act (Act 25 of 1999).

SAHRA thanks the applicant for submitting the Final Basic Assessment Report (FBAR).

It is noted with thanks that SAHRA's earlier comments have been incorporated into the FBAR. Kindly keep us informed as per the undertaking on pp. 63-64.

We wish you success in this endeavor.

Should you have any further queries, please contact the designated official using the case number quoted above in the case header.

Yours faithfully

Lesla la Grange
Heritage Officer
South African Heritage Resources Agency
