

Final Comment

In terms of Section 38 of the National Heritage Resources Act (Act 25 of 1999)

Attention: Ekurhuleni Development Company

Development of Block E, Corner Jack and Queen Street, Germiston, Ekurhuleni Metropolitan Municipality

Higgitt, N. & Du Piesanie, J. September 2015. Development of Block E, Corner Jack and Queen Street, Germiston, Ekurhuleni Metropolitan Municipality

The proposed development entails a project by the Ekurhuleni Development Company to renovate and refurbish an historical building, situated on the corner of Jack and Queen Streets, Germiston, for residential purposes.

Final Comment

Considering that no significant archaeological or palaeontological heritage resources occur within the study area, the SAHRA Archaeology, Palaeontology and Meteorites Unit has no objections to this proposed development on the following conditions:

- If any evidence of archaeological sites or remains (e.g., remnants of stone-made structures, indigenous ceramics, bones, stone artefacts, ostrich eggshell fragments and charcoal/ash concentrations), fossils or other categories of heritage resources are found during the proposed activities, SAHRA must be alerted immediately, and a professional archaeologist or palaeontologist, depending on the nature of the finds, must be contacted as soon as possible to inspect the findings. If the newly discovered heritage resources prove to be of archaeological or palaeontological significance a Phase 2 rescue operation might be necessary.

Please note that comments relating to the Built Environment structure in question must be obtained from the Gauteng Provincial Heritage Resources Authority.

Should you have any further queries, please contact the designated official using the case number quoted above in the case header.

Yours faithfully

Development of Block E
