

Interim Comment

In terms of Section 38(8) of the National Heritage Resources Act (Act 25 of 1999) and the KwaZulu-Natal Heritage Act (Act 4 of 2008)

Attention: Umzumbe Local Municipality

The project area falls within the jurisdiction of the Umzumbe Local Municipality and is situated on Wards 10, 16, 17, 18, and 19. The Umzumbe LM is one of six local municipalities making up the Ugu District Municipality of southern KwaZulu-Natal. The total extend of the project area is approximately 12 313.9 Ha. The project area includes land falling under the rule of the Hlongwa, Thulini, Qwabe and Ndelu Tribal Authorities and some areas are privately owned which make-up Wards 10, 16, 17, 18, and 19 of the Umzumbe Municipality.

We acknowledge receipt of your invitation for comment with regards to the proposed development. The attached documents have been reviewed and it is noted that the development falls in an area that is rich in heritage resources that could be negatively impacted by the proposed development.

For this reason the developer is required to appoint a heritage impact assessment practitioner to conduct a Heritage Impact Assessment . The assessment should be a fieldbased archaeological and historical impact assessment covering the stone age , iron age , historical and living heritage components. The Heritage Practitioner should provide a map of all informal graves and other heritage resources in the area.

Please download our list of Heritage Practitioners from our website www.heritagekzn.co.za. and the website of the PSSA, <http://www.palaeontologicalsociety.co.za>.

Should you have any further queries, please contact the designated official using the case number quoted above in the case header.

Yours faithfully
