RE: REPORT ON VANDALISM AT ERF 44500, KIMBERLEY, ON EVENING OF 15 JANUARY 2015.

On the evening of 15 January 2015 all temporary conservation measures were removed and household and other rubble strewn over Erf 44500. On-site signage, attached at 4 localities at the site, advertising the public meeting to be held in terms of Section 36(5) and Section 38(3)(e) of the NHRA 1999, 26 January 2015, were *en large* removed. The site was cleaned by the Sol Plaatjie Municipality, with the majority of the cleaning having been done roughly 10:30 on 16 January 2015.
