27 July 2022

To whom it may concern,

Re: Temporary export of archaeological material from the site Varsche Rivier 003, under HWC permits #2009/04/001, #X120417JL07 and #16062111AS0622E.

We hereby give Prof Teresa Steele, the University of California, Davis and A/Prof Alex Mackay, University of Wollongong, Australia, permission to extend their temporarily export permit for the archaeological material from the site Varsche Rivier 003, for another year.

Kind regards
