Deed of Transfer 38721/1974, dated 15 November 1974.

*Historical importance*

The historic parsonage was erected before 1848, while the mission church was built at a later stage by the London Missionary Society.

These two buildings form an architecturally important part of the historic Pastorie Street in Graaff-Reinet. (10/2/408.)

J. P. VAN DER SPUY, Minister of National Education.
