Historiese en argitektoniese belang

Die eerste plaas in Idasvallei is in 1683 aan Francois Villon, 'n Franse Hugenoot, toegeken. Belangrike historiese figure soos J. X. Merriman en sir Thomas Smartt het later ook plase in dié vallei besit. Op verskeie plase, by name Rustenburg, Schoongezicht, Idasvallei en Glenbawn, is daar Kaaps-Hollandse huise en wynkelders van besondere argitektoniese belang. Die vallei besit ook 'n unieke landelike karakter en natuurskoon en is in sy geheel van buitengewone nasionale belang. RNG 10/2/440.

Historical and architectural interest

The first farm in Idas Valley was granted in 1683 to Francois Villon, a French Huguenot. Important historical figures, like J. X. Merriman and Sir Thomas Smartt, also owned farms in the Valley. On several farms, specifically on Rustenburg, Schoongezicht, Idas Valley and Glenbawn, there are Cape Dutch houses and wine cellars of considerable architectural importance. The Valley also has a unique rustic character and natural beauty, and is, in its entirety, of exceptional national importance. RNG 10/2/440.
