UPDATED: SEPTEMBER 2013

FRANCOIS J. ODENDAAL, Ph.D., FRGS
Managing Director

BIRTH	25 January 1955
CITIZENSHIP	South Africa
EDUCATION	Ph.D. Flinders University of South Australia, Australia, 1981 B.Sc. Honours, University of the Witwatersrand, South Africa, 1977 B.Sc. University of Natal, South Africa, 1976
ACADEMIC APPOINTMENTS	Adjunct Professor, Environmental Resource Centre, Cape Peninsula University of Technology, South Africa, 2008 - Present Visiting Professor, Department of Science Education and Environmental Studies, Connecticut State University, USA, 1993 - 2000 Chief Scientific Officer, Marine Research Institute, Zoology Department, University of Cape Town, South Africa, 1992-1996 Senior Researcher, Zoology Department, University of Cape Town, South Africa, 1988 - 1991 Research and Teaching Associate, Zoology Department, Duke University, USA, 1985 - 1988 Post-Doctoral Research Fellow, Department of Biological Sciences, Stanford University, USA, 1981 - 1984
AFFILIATIONS	Fellow, British Royal Geographic Society, London (FRGS) Member of the International Association for Impact Assessment South Africa Founding Member of the Global Sustainable Tourism Council
COUNTRIES WORKED IN	Angola, Australia, Botswana, Cameroon, Central African Republic, Costa Rica, Egypt, Lesotho, Madagascar, Mauritius, Mexico, Ecuador, Mozambique, Namibia, Seychelles, South Africa, Tanzania, United States
TEACHING AND ADMINISTRATIVE EXPERIENCE	

- 1994 - Present Department for Science Education and Environmental Studies,
Connecticut State University, USA
Visiting Professor
- Responsible for teaching the following courses: Masters Level (EVE 573) on Tropical Rainforest Ecology; Masters Level (EVE 594) on Global Ecological Case Studies; Masters Level (EVE 598) on Ecotourism Development
- 1998 - Present Supervise numerous interns on work-study or dissertation assignments for European and US universities as Eco-Africa's Chief Executive Officer
- 1998 - Present University of Cape Town, South Africa
External Supervisor
- Supervised four interns in Environmental Science, three masters students and one doctoral student
- 1997 - 1998 University of Tamatave, Madagascar
External Supervisor
- Supervised one Masters students in Contemporary Environmental History of the Masoala Peninsula, Madagascar
- 1995 - 1997 Cape Peninsula University of Technology, South Africa
Consultant
- Designed and taught a semester course in Environmental Engineering which has now become an established course in the Engineering Department
- 1994 - 1995 University of Antananarivo, Madagascar
External Supervisor
- Supervised two Masters students in Fisheries and Coastal Zone Management
- 1986 - 1987 Duke University, North Carolina, USA
Teaching and Research Associate (Animal Diversity 125)
- 1981 - 1984 Rocky Mountain Biological Laboratories, USA
Managed the *Euphydryas* population biology research team
- 1981 - 1984 Stanford University, California, USA
Designed and taught BIO 199 and Independent Studies 101
- 1980 - 1981 Flinders University of South Australia, Australia
Teaching Assistant (Ecology and Population Biology)
- 1977 University of the Witwatersrand, South Africa
-

	Teaching Assistant (Zoology 1)
1975 - 1976	Natal University, South Africa Financial Planning Committee, and Vice-President and Treasurer of the Students' Representative Council

Most Outstanding Student Seminar in Australia, Australian Society of Herpetologists, 1979

Most Outstanding Student Seminar in Australia, Australian Society of Herpetologists, 1978

Postgraduate Award, Rotary International, 1978 - 1979

INTERESTS Integrated coastal zone management; information sharing technology for coastal zone management; integrated conservation and development; rehabilitation of coastal systems; desertification; living marine resource harvesting and cultivation; integrated resource management and planning; conservation biology; marine ecology; marine resource exploitation; community-based natural resource management (CBNRM); tropical reef and rainforest ecology; global ecological issues; sustainable ecotourism development; development planning and local economic development.

CONSULTATION Integrated Coastal Zone Management (ICMP); Strategic Planning; Integrated Development Planning; Strategic Environmental Assessment (SEA); environmental education; development of nature-based livelihood options; marine and coastal community ecology; sustainable development; land-use planning, coastal zone management; integrated resource planning and management; Environmental Assessment (EA); integrated development planning (IDP); renewable energy; mariculture; protected areas delimitation, management and development; community-based resource management and conservation; ecotourism development; local economic development; NGO capacity building.

**TRAINING COURSES
AND SYMPOSIA**

2010/11 Developed three masters level courses in environmental economics, environmental risk management and waste management for the Hamdan Bin Mohammed E-University in Dubai.

2006/7 Training on Integrated Coastal Zone Management (ICZM) and Sustainable Tourism in the PERSGA region (Djibouti, Egypt, Jordan, Saudi Arabia, Somalia, Sudan, and Yemen). Funded by PERSGA/GEF 2006 - 7

2005/6 Development and restructuring of the online courses offered in three countries through the information sharing platform Distance Learning Information Sharing Tool (DLIST) that is funded by the Global Environment Facility (GEF) through the United Nations Development Programme (UNDP)

2003/5	Environmental Assessment (EA) training and preparation of an EA Manual for the Zanzibar government and other sectors of society as part of the Sustainable Management of Land and Environment (SMOLE) Strategy, with funding from the Ministry of Foreign Affairs (MFA), Finland
2005	Design and delivery of public awareness and information dissemination training for NGOs, CBOs, private sector, local, district and national government officials of the Revolutionary Government of Zanzibar, with funding from the Ministry of Foreign Affairs (MFA), Finland
1994-2000	Development and delivery of Masters Modules in Ecotourism Development, Global Ecological Case Studies, Tropical Rainforest Ecology and Environmental Filmmaking at Southern Connecticut State University
2000	Module on community involvement in ICZM: Coastal Management Course. University of Cape Town, Cape Town, South Africa
2000	On living marine resource exploitation with specific reference to worker-owned kelp companies. Symposium on Co-Management of Resources off the Southwestern Coast of Africa, Luderitz, Namibia
2000	On Information Sharing and Collective Planning in the transboundary SEA in Namibia and South Africa, introducing DLIST. Symposium on Co-Management of Resources of the Southwestern Coast of Africa. Luderitz, Namibia
2000	Involvement of communities in the decision-making process with reference to community-based conservancies and coastal zone management. Second Annual Spring Forum: Effective Global Change. Connecticut State University
2000	Training Course (Principal Trainer): Environmental Assessment of Tourism. For Secretariat for Eastern African Coastal Area Management (SEACAM). In Madagascar: for Madagascar, Re-Union, Mauritius, Comoros and Seychelles
1998	NGO Capacity Building Training Course (Co-Trainer). For SEACAM. In South Africa: for South Africans and Namibians
1998	Training Course (Principal Trainer): Environmental Assessment of Tourism. For Secretariat for Eastern African Coastal Area Management (SEACAM). In South Africa: for South Africans, Namibians, Mozambicans, Tanzanians and Kenyans
1998	Module on Community Participation in Integrated Coastal Zone Management. Coastal Management Course, University of Cape Town

- 1977 Recipe for Survival on a Small Green Planet. Harry Haakonsen Memorial Lecture, Southern Connecticut State University
- 1966 Ecotourism trail runs as a tool for Responsible Development. Ecotourism Symposium, Yale University School of Forestry and Environmental Studies
- 1996 Patterns and Conflict. Symposium speaker for Course in Coastal Zone Management, University of Cape Town
- 1994 Potential exploitation of marine resources and the development of ecotourism in the new Groen-Spoeg Marine National Park, SA National Parks Board: Public Meeting for the creation of South Africa's largest marine and coastal national park (in Northern Cape)
- 1994 Community-based Exploitation of marine resources and the development of ecotourism (Speaker: West Coast National Park)
- 1994 The Socio-economics of Artisanal Fisheries on the Masoala Peninsula, Madagascar. Southern African Marine Science Symposium, South Africa
- 1994 The human perspective in marine exploitation and the relationship between marine resource exploitation and rainforest destruction. Southern African Marine Science Symposium, South Africa
- 1994 On the ecology and exploitation of coral reefs and lagoons. Southern African Marine Science Symposium, South Africa
- 1987 On the relationship between physiology, ecology and behaviour in butterflies. Ecological Society of America, Columbus, Ohio, USA
- 1987 On the mating systems of insects. Society for Study of Evolution, Columbus, Ohio, USA
- 1980 The ecology of two parapatric frog species. Annual Symposium of the Australian Society of Herpetologists
- 1978 The ecology of diurnal geckoes in the Namib Desert of Africa. Annual Symposium of the Australian Society of Herpetologists

Numerous other minor workshops and lectures were given in Australia, Europe, USA, Madagascar, and South Africa

INSTITUTION SEMINARS University of the Witwatersrand; Flinders University of South Australia; Stanford University; South Australian Museum; Transvaal Museum; Rocky Mountain Biological Laboratories; Duke University; British Royal Geographic Society; Le Centre National de la Recherche Scientifique (France), University of Cape Town, University of Port Elizabeth, University of Pretoria; University of Mauritius; Yale

University; Charles Darwin Research Station (Galapagos); Southern Connecticut State University.

COMMISSIONED CONSULTATIONS¹

46. "A preliminary report on the feasibility and effectiveness of the Ruimsig Entomological reserve in protecting the butterfly species *Aloeides dentatis*: the role of active management in manipulating population size." For South African Nature Foundation (later to become WWF, South Africa) and Roodepoort City Council, 1989 -1993.
47. "NSIP West Coast Site Specific Environmental Study: The Sensitivity of the intertidal zone to acquisition of one or more sites for possible nuclear development." For the Environmental Evaluation Unit (EEU), University of Cape Town, commissioned by ESKOM, the South African Power and Electricity Commission, 1990 - 1991.
48. "Report on the study of natural recovery of overburden dumps on DBCM properties in Namaqualand." For the Environmental Evaluation Unit (EEU), University of Cape

¹ Listed under this heading are commissioned consultations, and consultation reports. Note that many of the consultations were large projects with multiple publications and reports output, but in the interest of brevity only one document per consultation is listed. The large projects often include management plans, institutional assessment, financial and legal assessments, strategic plans in one single consultation as listed in the CV.

- Town, commissioned by De Beers Consolidated Diamond Mines (Namaqualand), 1990 - 1992.
49. A study on pine beetle movement patterns with the aim of finding biological control methods to help counter massive pine beetle attacks on pine stands in the South-eastern states. For US Department of Agriculture (USDA), Forestry Service, Louisiana, 1992.
 50. An evaluation of marine resources and artisanal fisheries on the Masoala Peninsula, Madagascar. "A Preliminary report on the marine resources of the Masoala Peninsula, Madagascar." For CARE INTERNATIONAL, 1993.
 51. An investigation of the ecotourism potential on the Masoala Peninsula, Madagascar. "A preliminary investigation of the Ecotourism Potential of the Masoala Peninsula, Madagascar." For CARE INTERNATIONAL, 1993.
 52. Consultant for marine resources, Masoala Peninsula, Madagascar. Duties include delimitation of marine reserves, devising methods of making artisanal fisheries sustainable, and linking marine resources with ecotourism development. For CARE INTERNATIONAL and ANGAP, the national system of protected areas in Madagascar, 1994 -1995.
 53. Consultant for ecotourism development, Masoala Peninsula, Madagascar. Duties involve designing community-based ecotourism practises and running trial runs. For CARE INTERNATIONAL and Project Masoala, 1994 -1995.
 54. Ecotourism development on the Masoala Peninsula, Madagascar. Design community-based ecotourism practices, guide training and ecotourism trial runs. For CARE INTERNATIONAL, 1993 -1995.
 55. Ecotourism consultant on the relationship between the national park system, the private sector and local communities. "Rapport Relatif a l'appui communautaire a l'ecotourisme et au marketing." For ANGAP, USAID and Tropical Research and Development (TR&D), 62 pages, 1996.
 56. Consultant for the development of alternative economy to diamond mining. "Northern Namaqualand Tourism feasibility Report: Can Tourism Offer Alexkor Ltd. an Opportunity for diversification?" For Alexkor Ltd., 1997.
 57. Review of Aldabra Management Plan, 1997. For the World Bank.
 58. Tourism consultant for the development of tourism in the Western Cape Province of South Africa. "Cape Town and Tourism: Development of Cape Town as a year round destination, 52 pages. For Cape Metropolitan Council, 1997.
 59. Robben Island Tourism EIA on Visitor Upgrades. For Robben Island Museum (RIM). 1997.
