*Phase 1 Heritage Resources Impact Assessment (Scoping & Evaluation)*  
**UPGRADING OF ROAD 4392: BUSHBUCKRIDGE**

**STATEMENT WITH REGARD TO HERITAGE RESOURCES MANAGEMENT**

Map reference: 1:50 000 3431 CC/CD

This letter serves to confirm that the surface area of Road D4392 and the demarcated borrow pit areas listed below contains no visual significant heritage resources on which the proposed project could have an adverse impact. Archaeological material is, however, often beneath soil surface and thus undetected until disturbed. It is therefore possible that previously undetected cultural remains or burials may be exposed during construction which must be reported to either the archaeologist or the Limpopo Heritage Resources Authority.

Locations of borrow pits:

1. S24°45'23.3" E31°14'38.2"
2. S24°45'45.1" E31°15'39.5"
3. S24°46'15.3" E31°18'26.9"
4. S24°47'33.4" E31°18'39.9"

*From a heritage resources management point of view, we have no objection with regard to the proposed development.*

Yours faithfully
