**HERITAGE RESOURCES IMPACT ASSESSMENT
VODACOM BASE STATION: SESHEGO NORTH**

STATEMENT WITH REGARD TO HERITAGE RESOURCES MANAGEMENT

Location: C/o of Khenzane Street and New Ara Drive, Seshego.

This letter serves to confirm that the proposed site contains no heritage resources on which the intended development could have an adverse impact. *From a heritage resources management point of view, we have no objection with regard to the proposed development.*

Yours faithfully

FRANS ROODT (BA Hons, MA Archaeology, Post Grad. Dipl. in Museology, UP)
Principal investigator for R & R Cultural Resource Consultants

ENVIRONMENTAL IMPACT ASSESSMENT

Notice is given in terms of Regulation 4(6) of the regulations published in Government Notice No R.1183 under Section 26 of the Environment Conservation Act (Act 73 of 1989) of an environmental impact assessment that will be conducted.

The proposed activity will entail the construction of a cellphone mast at the following locality in Polokwane:

Seshego North

A 55m sectional pole mast (painted red & white) near the corner of Khenzane Str. and New Era Dr.

Seshego South:

a 54m lattice mast (painted red & white), at the Peter Nchabeleng Secondary School

If you are an interested and/or affected party, and would like to voice your opinion/concern regarding the possible environmental impacts, please register as such by submitting your interest in the matter before 2 April 2003 to:
