Dear Heidi

Further to our telecom today I will wait to hear from you regarding setting up a meeting with yourself and the architect if they wish to do so ahead of submitting the HPOZ application to LUM.

I will be grateful if you can forward me the HWC comment in the interim.

Dear Heidi

Apologies for not getting a comment to you timeously for the Section 27 SAHRA application.

Aside from the NHRA application to SAHRA, HPOZ approval will also be required in terms of the Municipal Planning By-Law and EHM will have further opportunity to comment into that process. We do have concern regarding the proposal in its current iteration and it will still be good to meet with you and the architect.
Please advise if application for HPOZ approval has been made to the City's Land Use Management (LUM) department?

Dear Tamar

This serves as notification that no comment was received from EHM-Heritage within commenting period for Interested & Affected Parties ending 3 November 2021. It is most unfortunate that EHM-Heritage's comment will not be included in the Section 27 application for the Roeland and Belvedere Security Entrances to be submitted to SAHRA.

Best wishes

Good morning Berendine, Elize and Tamar

I trust that you are well and having a good week thus far.

With reference to the trailing e-mail correspondence, I just wanted to follow up on the request for comment from HRS. Of course it is understandable that during these uncertain and challenging times matters can be stressful for all concerned in trying to resolve matters timeously! I'm sure you're busy, but I'd appreciate if you could take a moment and follow up and advise when you get a chance. It will be greatly appreciated that the matter be advanced with HRS as the relevant stakeholders from parliament intend to resolve all security upgrades as a matter of urgency.

It has become critical for the project to meet expected timelines within the project programme and we would like to include CoCT HRS's comment in the submission to SAHRA. Should you have any queries regarding the above please contact me soonest to avoid confusion and delay.

Best wishes
