The area under question was surveyed in December 2005 for the then Iscor (Pty) Ltd (Anderson 1996. Specialist Report for CSIR). This area was part of the general area to be surveyed and did not form part of the current Hillendale mining lease. During the course of that survey one Early Iron Age site was recorded (see Anderson 1996). This site is located on the same hill as Harbour Lights, or on Sub 1 of Lot 161 Umhlatuzi No 13898.

The land in question is as follows:

Sub 1 of Lot 161 Umhlatuzi No 13898. The co-ordinates according to the system for the property corners are as follows:
