Dear Mrs. Leslie

**EXEMPTION OF THE FOLLOWING PROPOSED VODACOM BASE STATION AND
MAST FROM FULL HIA INVESTIGATION; SEPHAKU**

After investigation of the above mentioned sites the following recommendations are given regarding the applicability of a full HIA study;

SEPHAKU; The site lies adjacent to an occupational area on a site that has been cleared in the recent past. No possibility of finding any sites of heritage potential remains. It is recommended that the site be exempt from full HIA investigation.

Should you have any questions regarding these recommendations please contact us at any time.

Sincerely
Stephan Gaigher
