## Public Participation in terms of of the Minerals and Petroleum Resources Development Act, 2002 (Act 28 of 2002). (FS) 30/5/1/2/2/10018MR

An application for a Mining Right on the farm De Pont 228, Magisterial district of Parys was lodged with the Regional Manager: Free State Region of the Department of Mineral Regulation. The mining area will be 95 hectares and the proposed timescale for proposed mining project will be 10 years from the date of approval of the mining right application. The intended end use of the property once mining has ceased is grazing.

A first round of consultation was conducted via letters submitted by hand to neighbours of the proposed mine and an advertisement in the Parys Gazette as part of the scoping process. No formal concerns or comments was raised through the first round of consultation.

This process is the second round of consultation on the contents of the EIA and EMPr. Specialist studies is not currently included in the EMPR but will be available on request.

**Please indicate whether or not you have any objections to the abovementioned proposed mining project and end of mining land use by ticking the appropriate box and signing the letter. Should you have any objections please supply detailed information on the nature of your objection in the space provided.**

Regards

  
PETRUS JOHANNES KOEKEMOER
