The Manager

Mpiti Funeral Home

Dear Sir/Madam

### ENDORSEMENT LETTER

This serves to confirm that Municipal Health Services have been informed of exhumation that will take place on the date to be communicated by the family at Izilangwe A/A.

We have no objection as agreement reached between the family and Mpiti Funeral Home.

MHS office will avail itself for the monitoring on the day of exhumation and reburial.

Kind regards

BC Mpinda (Chief Environmental Health Practitioner)
