

# Site Photographs

Photo	Description
	<p>Photo 1: A view of the new reservoir site facing West.</p>
	<p>Photo 2: A view of the new reservoir site facing North West.</p>

Photo 3:  
Prototype view  
of the reservoir  
position.

Photo 4: The  
existing  
Lenasia HL  
reservoir  
adjacent to the  
proposed new  
reservoir site.

Photo 5: Rocky grassland community after a fire event; Littering observed.

Photo 6: the identified scour pond/retention pond (artificial wetland) found as part of the existing Lenasia HL reservoir infrastructure.
