BASIC ASSESSMENT PROCESS FOR THE PROPOSED DECOMMISSIONING OF THE VERWOEDBURG 275kV AND 2 X 275 VERWOEDBURG APOLLO LINES			
Date	Name and contact details of the interested and affected party	Comment or Issues raised by the interested and affected party	Response by Environmental Assessment Practitioner (EAP)
06 September 2013	Las Van Der Heveer (SABS)	The landowners made an enquiry on whether the line would be removed from site following decommissioning.	The line will be decommissioned, dismantled, demolished and removed from site. Whatever is recyclable will be recycled while construction rubble and associated waste will be disposed of at a registered site.
06 September 2013	L J Naude (Idlewild Farm)		
06 September 2013	Jeanne Rewis Saint George Hotel	Upon receipt of the site notice, the landowner representative indicated she will advise management of the EAP's visit.	No response is required from the EAP.
06 September 2013	Mr. E.R. Nteopo	The landowner enquired whether the proposed project will warrant resettlement of local communities.	The proposed decommissioning will have no significant impact on the surrounding residential settlements. The decommissioning will only entail removal of the structures which will not warrant resettlement of local communities
