

## APPENDIX 2: PHOTOGRAPHIC DOCUMENTATION: THE VILLAGE LODGE

Fig. 1: Entrance to THE VILLAGE LODGE from the R536.

### RECEPTION & ENTERTIANMENT AREAS:

Fig. 2: The Reception area.

Fig. 3: Restaurant and entertainment area.

Fig. 4: Conference area.

Fig. 5: Swimming pool area.

Fig. 6: Playground.

## ACCOMMODATION AREAS (TOURIST & STAFF)

Fig. 7: Road to accommodation facilities.

Fig. 8: Reconstructed cultural village accommodation.

Fig. 9: Inside the reconstructed village area.

Fig. 10: Alternative chalet accommodation.

Fig. 11: Staff quarters and store rooms.

Fig. 12: Brickmaking yard.

Fig. 13: Water storage area.

Fig. 14: Domestic waste is dumped on site.

## ROADS & BORDERS OF THE PROPERTY

Fig. 15: The road at the entrance is tarred.

Fig. 16: Most roads on the property are natural dirt roads.

Fig. 17: Western border (View south to north). Roads on the border of the property are also used as a fire-break.

Fig. 18: Southern border (View west to east).

Fig. 19: Internal roads divide the natural vegetation into small accessible sections.

Fig. 20: Eastern border and service entrance (View south to north).

Fig. 21: Northern border (View west to east).

## NATURAL SECTIONS

Fig. 22: Areas near and around facilities are cleared of vegetation under the trees.

Fig. 23: Cleared areas near the Conference area.

Fig. 24: Cleared area around the chalet accommodation.

Fig. 25: Small pockets of natural bush. The vegetation in these sections were mostly open and dry.

Fig. 26: The northern section of the property near the Reception area and adjacent to the R536 (View west to east).
