**RE: LETTER OF CONCERN ON CONDUCTIN HIA STUDY ON APPLICATION FOR THE PROPOSED PROSPECTING RIGHT ON PORTION OF PORTION 21 OF THE FARM WAAI FONTEIN 301-ES.**

I trust this letter finds you well,

I Valerine Molo, was appointed by Lushika Services (Pty) Ltd on behalf of NK 24 Enterprise (Pty) Ltd to conduct a Heritage Impact Assessment Study on portion of portion 21 of the farm Waai Fontein 301 ES.

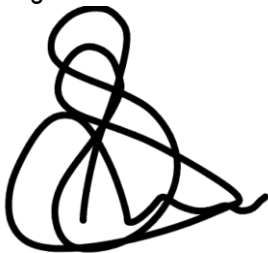

The initial site visit was scheduled for 21<sup>st</sup> January 2022, upon our arrival on site we were advised to consult with the lawyers on behalf of the farm in order to gain access to the application area.

A letter requesting access to the application area was submitted to the lawyers by the project EAP (Mr Caiphus Mukwevho) the response from the lawyers on behalf of the farm owner to refuse the access.

It is based on this background that a detailed site survey has not been done, furthermore the Landowner or Lawyers on behalf of landowner have not signed the application form.

For enquires contact Ms Molo.
