**SUBMISSION OF A LETTER OF RECOMMENDATION FOR EXEMPTION AND A HERITAGE STATEMENT FOR THE ACID MINE DRAINAGE PROJECT**

Dear Andrew Solomon,

As the independent Environmental Assessment Practitioner (EAP) for the Acid Mine Drainage Project, Digby Wells Environmental (Digby Wells) submitted a Letter of Recommendation for Exemption and a Heritage Statement for the Central Basin on 16 August 2012 prior to the launch of SAHRIS. Digby Wells has contacted the South African Heritage Resources Agency in October 2012, on 4 December 2012, and on 7 January 2012 with regards to this project but we have not received a reply from SAHRA.

On this 8 day in January 2013, Digby Wells has submitted the Letter of Recommendation for Exemption and a Heritage Statement for the Central Basin onto SAHRIS.

Regards,

Shahzaadee Karodia  
*Archaeology Consultant*
