**RE: CONFIRMATION OF A SCHOOL NOT HAVING AN ORIGINAL  
PLAN**

THIS SERVES TO CONFIRM THAT MOROKWENG PRIMARY SCHOOL (EMIS NO. 600101385, STAND NO. P2310 GAMOKGOPA) WAS BUILT MORE THAN 60 YEARS AGO. IT WAS BUILT BY THE PARENTS WHO DID NOT KNOW MUCH ABOUT DRAWING OF A PLAN BEFORE THEY COULD START BUILDING.

THE LAND AND BUILDINGS ARE OF LIMITED QUALITY. THE QUALITY OF BUILDING ITSELF CAN NO LONGER STAND THE WEATHER ANYMORE. THE MORTAR USED WERE OF A POOR MIXTURE OF SAND AND CEMENT THERE IT IS FALLING OFF AND CRACKS ON THE WALLS GEAR TESTIMONY TO THAT.

I THEREFORE CONFIRM THAT THIS SCHOOL DOES NOT HAVE AN ORIGINAL PLAN. PARENTS JUST DID MEASUREMENTS WITHOUT A PLAN.

THESE ARE THE REASONS WHY PARENT RECOMMENDED THAT THESE OLD BUILDINGS MUST BE DEMOLISHED BECAUSE THEY ARE NOT OFF GOOD QUALITY.

I HOPE AND TRUST THAT THIS INFORMATION WILL REACH YOUR FAVOURABLE CONSIDERATION
